Milestone 6 Matrix

Task	Completion	Dominique	Kasey	To-do
1.Prepare for Senior Showcase	100%	50%	50%	
2.Create Poster	100%	50%	50%	
3.Code Tree	60%	30%	30%	Improve upon it
4.Demo Video	100%	50%	50%	
5.Instruction Manual	100%	50%	50%	

Summary of Tasks

1. Prepared and presented at showcase
2. Created and finished the poster board for showcase
3. Finished coding the tree but when we went to compile it, because of our massive set of sample inputs, it took a very long time. We need to rework the tree and find a way to make it faster.
4. Used Camtasia Studio to produce our demo video
5. Create a instruction manual
